POLITICS;

South Africa's ANC orders Zuma to resign as president; South Africa's ruling ANC party on Tuesday "recalled" scandal-tainted President Jacob Zuma from office but set no deadline for him to step down, pitching the country into further uncertainty. [Read More](#)

ENERGY IN THE NEWS;

Oil stable on weaker dollar and healthy economic growth, but pockets of oversupply linger; despite this, crude prices remain well below recent highs due to signs of lingering oversupply, including rising U.S. inventories and ample physical flows globally. [Read More](#)

NATIONAL;

12 years of broken bridge, residents pay more to move; in 2008 and 2011, floods swept off two bridges in the area and as a result, Aji Bridge was badly damaged with huge cracks developing on the pillar while some metallic bars were destroyed. [Read More](#)

INTERNATIONAL;

Israel police recommend charging PM Netanyahu with bribery; a decision to press formal charges against the veteran premier now rests with the attorney general's office, which is expected to take weeks or months to decide how to proceed. [Read More](#)

COURT;

Appointed judges to be vetted today; the vetting process that ends on Thursday comes amidst contentions, against three of the appointments, on grounds of lacking minimum [ethical] standards. [Read More](#)

BUSINESS;

What private sector wants government to prioritise in Budget; the Private Sector has made proposals to the Budget Framework Paper that should enable it contribute more towards a vibrant economy. [Read More](#)

SPORTS;

Olympic Games in Africa? A door long shut could be opening; other than Antarctica, only one continent on the planet has never hosted an Olympic Games: Africa. Finally, though, that could be about to change. [Read More](#)

And finally; Environmental chemicals may boost body weight; chemicals used in food wrappers, non-stick pan coatings and clothing may boost body weight by interfering with metabolism, especially in women. [Read More](#)

Today's scripture; *Psalm 9:9-10*
