POLITICS;

South Africa opposition demand end to Zuma impasse; the ANC said in a statement on Thursday said it was awaiting the "imminent conclusion" of negotiations between Zuma and his deputy Cyril Ramaphosa, the president-in-waiting. [Read More](#)

ENERGY IN THE NEWS;

US gives Shs38b to power Uganda; Speaking at the East African Energy Infrastructure summit, US ambassador to Uganda, Ms Deborah Malac said this Power Africa initiative will support innovation, market access, mobilise finance and provide transaction advisory services to private sector players in the off-grid sector. [Read More](#)

NATIONAL;

New regional staple foods standards to boost trade; speaking in an interview on the sidelines of the launch of the nine standards for staple foods on Wednesday by East Africa Grain Council in Kampala, Mr Gerald Masila, executive director EAGC, said the lack of harmonized regional standards has for a long time barred trade as each East African country has been using its standards. [Read More](#)

COURT;

Police drops charges against Kirumira; Kirumira had been charged with the torture of Pius Kato and Paul Ochaya during his tenure as the officer in charge of Nansana police station in 2014. He is alleged to have removed the two suspects from cells, undressed them, beaten them and later cut off the right-hand thumb of Pius Kato. [Read More](#)

HEALTH;

Activists ask Parliament to drop electroconvulsive therapy from Mental Health Bill; electroconvulsive therapy is a medical treatment for severe mental illness in which a small, carefully controlled amount of electricity is introduced into the brain. [Read More](#)

BUSINESS;

Uganda must fight to enter South African market; Uganda and South Africa are part of the 26 member states that have signed the Tripartite Free Trade Area agreement which allows member states to access each other's markets. [Read More](#)

SPORTS;

CAF champions league: KCCA set to face CNaPS; new KCCA FC goalkeeper Tom Ikara is one the players that did not make the trip to Madagascar as Uganda's representatives prepare to take on CNaPS Sport this weekend in the CAF champions league. [Read More](#)

And finally; human eggs grown to maturity in lab; researchers in New York and Edinburgh developed a new method to grow eggs from very early-stage cells obtained from ovary tissue, a team reported in the journal Molecular Human Reproduction. [Read More](#)

Today's scripture; Mark 5:36. 31

ESKOMorning quote; "Be not afraid of life. Believe that life is worth living, and your belief will help create the fact." By - William James
