ENERGY NEWS;

Umeme concession talks limits capital mobilization efforts; lack of clarity on renewal of Umeme's operating licence in 2025 is limiting its ability to raise more capital and make capital investments in the electricity distribution network. [Story](#)

ESKOM IN THE NEWS;

EUL invests Shs 888m in NPS; EUL has invested Shs 888 million into the refurbishment of the powerhouse staircases at the NPS in what should boost generation at the plant. The renovation of units one, five and nine staircases was undertaken by Babcon Ltd, a Ugandan company, to improve their structural integrity and ease accessibility to the lower gallery of the power plant to access the turbines and waterways for maintenance.
